

PASSING THE BIER.

Many of our people pay their respects to the late Chief Justice.

The funeral today will be a most interesting demonstration of love.

Many will be generally surprised to find the funeral.

Indeed, the funeral of Chief Justice.

At the funeral of Chief Justice.

At the funeral of Chief Justice.

PARRISH'S ADDITION.

Only 3 Blocks from Cascade Avenue!

Only 3 Blocks from The Anders Hotel!

Only 4 1/2 Blocks from Post Office!

Are 100 to 140 feet in width.

THE ALLEYS are all 20 feet wide.

There are no 60 or 80 foot streets, and narrow, 10-foot alleys, such as are found in other loudly advertised "Additions," with high sounding titles, where you pay high prices for lots, without duly considering that you are throwing away your money.

There is a 3-inch Water Pipe, connected at Chestnut street with a 10-inch main; the Largest in the City's System. THE MAIN CITY DITCH, taking pure, clear water from the Fountain, runs just back of PARRISH'S ADDITION, and within a stone's throw of it.

YOU ARE SURE TO GET WATER

(Both from Pipes and Ditch) in PARRISH'S ADDITION if there is any water in the Fountain, even if other parts of the city are suffering from scarcity of the precious fluid.

REMEMBER THE FOREGOING, and then, when I tell you I will sell you a First-Class

LOT IN PARRISH'S ADDITION FOR \$350-

To \$1,000 a full size lot 50 by 190 feet, do not hesitate to buy, and about buying. You can buy two lots on a corner, and erect pretty little cottages across them, giving each cottage a neat, pretty little yard, and a really neat them, owing to the location, etc.

To Pay You 25 to 35 Per Cent Per Annum on the Entire Investment.

WHERE CAN YOU DO THIS ANYWHERE?

THE S. W. CAR LINE RUNS THROUGH PARRISH'S ADDITION, from West to East, and will doubtless soon be extended to the North, past the "Meat Road," up to THE ROCK ISLAND SHOPS. Lots are sold on Terms to Suit Buyers, if possible.

I AM ALSO SELLING

LOTS IN CALVERT HEIGHTS!

On Easy Terms, and at from \$500 to \$1,000. 1-2 of here to, much the same as elsewhere.

As do Parrish's Addition Lots to Colorado Springs, and

I CAN RECOMMEND THEM AS AN INVESTMENT!

SURE TO PAY A BIG PROFIT DURING THE COMING YEAR.

THE SURROUNDING VIEWS ARE MAGNIFICENT!

Last year I recommended you to buy lots in Parrish's Addition, and they have paid a better Profit than any other lots on the market. This year I urge you to add to Your Investments in Parrish's Addition. The year is out, you will again be glad that you have taken my advice.

There are not very many lots altogether, and those who apply early and then all gone, and will have to pay more.

THE GREAT GLASS MANUFACTURING WORKS

Are erected and in operation just south of CALVERT HEIGHTS. I have arranged to have every lot supplied with PURE WATER IN PIPES.

THE LOCATION IS SUPERB!

One Must Be Blind

It is a fact not to realize that Colorado Springs is destined to increase rapidly in population, and that the new town toward the north, that the finest residences are being built, and will be built in the North End Addition, and that the greatest prospective increase in values will be on Cascade Avenue, Tejon Street and Nevada Avenue, the main arteries of the city.

THE NORTH END ADDITION!

Judging by the past, these lots will double or

A Six-inch Water Main Supplies City Water to Every Lot.

Is guaranteed by Every Deed.

Residences Allowed in this Addition.

The Street Railway Traverses this Tract from End to End

It has a site for a Hotel

It is a Really Desirable Investment.

If you want something better than money placed at 10 per cent compound interest

Mr. and Mrs. H. De Fourtelle are shown from the front of the car at the Altus Hotel.

The Ladies Guild of Grace church will meet at the rectory this afternoon at 3 o'clock.

A divorce has been granted by the county court to Caroline O'Grady from Ches. M. O'Grady.

Don H. H. Eddy, speaker of the lower house of the Colorado assembly, is in the city, the guest of Senator Charles E. Noble.

Mr. Peter Winkler and family have gone to New York state where they will spend the winter on Mr. Winkler's farm on the Hudson near Albany.

The funeral of Mr. Charles Leving will take place this afternoon at 2 o'clock from the family residence at No. 62 North Nevada avenue.

Dr. L. D. Coombs, an old resident of this city but now of Hillside Ill., arrived at the Alta Vista last night. The doctor will remain in town a short time superintending improvements to be made at the Coombs street property.

The county court, convened the entire day yesterday in hearing evidence in the Knox case. The plaintiff, Knox, in this case is seeking to recover from the city for the care of small pox patients last spring. The case was adjourned until this morning at 9 o'clock.

Mr. Middleton Dodge, for many years connected with the treasury department of the national government as customs inspector, is visiting friends in the city. Mr. Dodge's first visit to Colorado Springs, or rather to the site of the city, was made in 1870. It is needless to say that he observes some changes on this occasion.

A horse hitched to a buggy which was tied to a post on North Nevada avenue yesterday afternoon became frightened, and breaking away, started down the avenue at a rapid pace. A little six-year-old girl was in the buggy and was thrown out soon after the horse started but fortunately escaped without injury aside from a few bruises. The runaway was captured after going several blocks by Mr. Charles Arnold.

Mr. Thos. F. Nelson, executive secretary of the mineral palace at Pueblo, was in town yesterday, accompanied by Mr. Blackburn, employed on the collection of exhibits. They also visited the museum and the stone quarries of Messrs. Snyder Bros. and Greenlee & Sons. They report these quarries as being very actively worked and producing magnificent blocks of fine sand stone. They consider it about settled that the Snyder Bros. will contribute two of the front columns to the mineral palace and they feel confident that Greenlee & Sons will also make a contribution of similar importance which will attract universal attention.

The funeral of Mrs. W. D. Brooks took place from the Presbyterian church yesterday afternoon at 2 o'clock and was largely attended. Mrs. Brooks was a woman widely known in this section and generally loved. Her kind heart and generous disposition often made her forget her own welfare in her eagerness to make herself useful to others. Mrs. Brooks whose maiden name was Catherine Willis was born in Allegheny City, Pennsylvania, October 26th, 1851. In April 1880 she removed to this city where she met and married Mr. Brooks, the wedding occurring on the 28th of July 1882. In 1885 Mr. and Mrs. Brooks removed to their ranch seven miles east of Falcon. The ranch was situated on the road between this city and Hugo and no class of people had such a good opportunity to know the lovely character of the deceased woman as the travelers over that road, hundreds of whom have experienced the hospitality she so often and so generously extended. Mrs. Brooks leaves behind her husband two little boys and an infant to mourn her loss.

Two Italians who have been engaged in peddling on the Pike's Peak road found the altitude too high for them and came down to Colorado City yesterday to quiet their nerves on bad whiskey. After putting away the bad whiskey they came to this city to fight. It seems that one of the dagoes had paid the other's expenses out here from Omaha with the understanding that on the return trip the favor should be returned. The finances of the dago who was to pay both their fares back to Omaha, he claimed, did not justify the large outlay of funds which the carrying out of the agreement demanded and he was obstinately refused to do so. This refusal on the part of Mr. Dago aroused the ire of his friend and under the influence of the liquor the latter quietly but firmly announced his intention of removing Mr. Dago's heart with a knife he significantly flourished. This announcement was made when the couple were standing at the corner of Huerta and Shawnee streets. The two Italians immediately made a dive at each other and it looked for a few minutes as if blood would be spilled, but some railroad hands at work near the scene interfered in the matter and separated the belligerents. On the promise of keeping the peace they were allowed to depart in different directions.
